AT A GLANCE

As an industry leader in information security consulting, penetration testing, and training, we provide organizations with an objective understanding of their security to effectively manage risk. We are a team of technical consultants with decades of hands-on experience across multiple industries, including healthcare, insurance, financial services, energy, and utilities, telecommunications, manufacturing, military, and all levels of government agencies, from federal to municipal.

Core Competencies

- Penetration Testing
- Cybersecurity Consulting
- Information Security Training
- Risk Assessments

Core Values

- Integrity
- Excellence
- Drive
- Work / Life Balance
- Teamwork
